I. Application dated 16th January 1906, from Sister Marie, Lady Superioress, Good Shepherd Convent, Mysore, for the land to the east of the Convent in Paracherry.	Resolved that the area in question, *viz.*, 936 sq. yards, may be sold to Sister Marie, Lady Superioress of the Good Shepherd Convent, at the rate charged for similar sites in the neighbourhood, *viz.*, 4 annas per sq. yard, on the understanding that no buildings will be erected on it before the expiry of the current calendar year.
II. Government Proceedings No. 9645-7—Ml. 455-05-3 of the 17th March 1906, forwarding for report through the Chief Engineer, Deputy Commissioner's letter No. 872 of 26th February 1906, containing his views as to the works to be undertaken by the Trust Board in preference to the projects formulated and now being carried out.	Read Deputy Commissioner's letter No. 872 of 26th February 1906, forwarded under Government Proceedings No. 9645-7—Ml. 455-05-3 of the 17th March 1906. Resolved that the Board are always prepared to welcome criticism from the Deputy Commissioner of the works and measures executed by them; but they believe that in the present instance, the Deputy Commissioner's remarks are misdirected. The Chairman is requested to report to Government how matters actually stand, with reference to the questions raised by the Deputy Commissioner.
III. Government Proceedings No 8909-11—Ml. (322-05)-4 of the 28th February 1906, ordering the reversion from 1st March 1906 of the conservancy establishment in the areas under the operations of the Trust Board to the control of the Trust Board.	Resolved that the Chairman be requested to intimate to Government that, in the opinion of the Board, the retransfer of the conservancy establishment is undesirable, as the officers of the Board are fully occupied with their legitimate duties and cannot attend to the conservancy. With reference to the question of imposing a scavenging cess, the Board is not aware of any provision of the law enabling it to impose such a cess.
IV. Government Proceedings No. 8912-14—Ml. 274-05 of the 28th February 1906, regarding the cost of additional temporary conservancy establishment employed by the Municipal and Trust Boards.	Read and recorded.
